Caleb: We're running a kicker (end-of-show fluff piece) about a robot 'priest' that presides over weddings in Japan.
Caleb: I'm putting "Deus ex Machina" in the CG subtitle.
Caleb: Hurray!
me: very good
me: everyone will understand that
Caleb: Are you kidding me?!
Caleb: IT'LL GO OVER LIKE A LEAD BALLOON!!!!
me: LEAD BALLOON EH I LIKE THE SOUND OF THAT I WILL TAKE THAT CHALLENGE
Caleb: Oh, so I went back to Shamrock last week.
Caleb: Had lunch with my grammpa and his secretary and her husband who's a former DPS trooper.
Caleb: He cornered me into a political discussion, etc., and eventually said something along the lines of, "We don't need no more government tellin' us what to do. I don't need no government pushin' me around."
Caleb: Fucking former highway patrol.
